

Sinatra IT Solutions was founded in January 2010 as security services & surveillances, data backup and healthcare within the UAE, GCC and Middle East marketplaces, with the primary aim of providing a diverse mix of high-end tailored services for our valued customer base.

The sub companies of Sinatra Holding offer high-quality customer services, brands, consumer products, and our own lines of specialist products and secondary services to concierge each division's efforts. Sinatra Holding is currently in operations, as a corporation under the laws of UAE.

Our prime services cover a variety of sectors such as IT Solutions, Security Services, surveillances.

Sinatra IT Solutions head office is located in the heart of Dubai – U.A.E. This location provides excellent access to the entire Mena region and a central hub in between the East and West of the world. Sinatra IT Solutions management acquired its roots in several key areas which includes major real estate, Ministries, IT and healthcare sectors in UAE and many other important areas that make our team equipped to make Sinatra IT Solutions one of the fastest growing companies in the coming years within the UAE and GCC.
